# SKGB WOMEN'S COACHING WEEK

**Celebrate International Women's Day by learning from your clubs top women!**

To celebrate the brilliant women we have in Scottish Karate, take part in the SKGB's women's coaching week. Our aim of the week is to have as many senior graded women as possible having a shot at taking a class - whether that be a whole class, the whole week, or parts of a class alongside another coach. (Coaches please note if the women coaching in your class are not already SKGB approved coaches then an SKGB approved coach must be present to overlook the class.) Lets encourage and inspire Scottish karate's next generation of women coaches!

Please share photos of the week on social media to showcase our women in action, and send them to the SKGB Director of women's interests: [chloe-maclean@hotmail.co.uk](mailto:chloe-maclean@hotmail.co.uk)
